

Bridekirk
PREFACE.

BRIDEKIRK PARISH lies between Cockermouth and Maryport and had in 1811 a population of 1552 persons. It has since been altered in area by the formation of separate parishes:

1. Great Broughton, in 1863, which includes Ribton.
2. Christ Church, Cockermouth, in 1865, was given part of the township of Papcastle, viz. : —" The Goat " with Hames Hill and The Ghyll.
3. Broughton Moor parish in 1898 was made with Little Broughton.

It will be noticed that the commencement of the collieries in this district about the year 1750 made a considerable increase in the population.
